ORDER RESCHEDULING HEARING

There is pending before this Board a petition relating to a strike occurring or about to occur which allegedly

may present an imminent or present danger to public health and safety. According to the practice of this Board, this matter must be given priority.

In view of the pendency of said matter, and because of the absence of one of the attorneys in the instant case from the jurisdiction, the dates previously set for the hearing in the instant case are hereby cancelled.

The hearing in the instant case will resume at 9 a.m., Tuesday, August 3, and will also be held on August 4, 5, and 6, 1976. If additional days are necessary to complete the hearing they will be scheduled when all parties are before the Board.
